*PEP, a local nonprofit
established in 1982,
offers parenting education
four sessions a year.*

parenting support

Parenting Children with Medical Issues

Parenting children with health challenges can add an extra layer of stress to families. Learn how to apply positive discipline techniques to improve your child's and your family's coping skills and increase optimism and resilience. Parents of children age 4 to 12 with asthma, diabetes, food allergies, chronic illnesses, and other serious conditions or disabilities are welcome.

Wednesday, July 16, 2008

7:30 - 9:30 pm
in Kensington
